Winter 2010-11:

Love the house! Owning it for a week is awesome!!! Comforts of home. Snowmobile trails are awesome! Fishing was great! We loved it!

Great cottage! Feels like a 5-star hotel rather than a cottage! Very convenient location. Stores very close if you run out of things.

The Christmas touches were really appreciated. It created the perfect atmosphere for the kids and everyone to enjoy a wonderful holiday.

Thank you for a great place to stay. We wish we could come back during the summer.

Thanks a million! Feeling like you own it --- amazing!

Great accommodations, enjoyed the pictures and adventures. See you next year!

We loved The Edge. Lots of room for everyone. The younger girls loved the Loft. The boys loved the Games Room. The moms loved the view from the livingroom/kitchen and the fact that everyone was happy. The teenagers amongst us loved that we were the only people around. Gorgeous pictures on the walls.

Thanks again for everything! Once again we had an awesome time! It was really special coming back for a second time.... Felt even more comfy than the first! It just really works for us!! We are already talking about booking for next year!

Our guest compares to another cottage rental location:

The cottage itself was much smaller than yours for about the same money—it certainly wasn't an "executive" cottage. The most important thing for me is that it wasn't all that clean (especially bathrooms). Your cottage has always been spotless. They have a lockbox with a key which is a bit of a pain compared to your digital lock. Arriving at night is easier at your place. You supply the basics, salt, pepper, coffee, etc. This place has nothing... not even toilet paper. Before arriving at The Edge, you send out a complete package of what you need to do, how to operate the hot tub, etc. The other cottage – nothing. It was cold and we had no idea how to turn on the heat. I like privacy and was assured that the cottage was well screened by trees. They were 20 feet away and you could see people and hear everything they were saying. On the 2nd trip up there (you were

booked again) we were alone so that was better but I don't like the gamble. Your booking process is more professional and I always feel like my business was appreciated. With the other place I felt like they were letting me have it.

Fall 2010:

Themed rooms were awesome. Great cottage, good times.

We had a wonderful time and hope to be back soon. We will definitely tell others about how great this place is. Thank you Barb, Paul and Victoria for allowing us to visit. Cindy was great too.

Winter 2009:

Barb & Paul, thank you for allowing us to rent this amazing place. It was truly a great weekend.

Beautiful place, gorgeous views, so much to do, so much room. Couldn't have asked for a better spot to enjoy winter and to hang out with friends.

Nothing better than to be away with friends. This was a wonderful spot. Great snowmobile location.

Summer/Fall 2009:

Hard to believe (since it's already an amazing place!) but The Edge seems to be getting better and better each year. Our family and friends who came on the weekend were very impressed by your cottage and a great time was had by all. The ping-pong and pool tables were a big hit, and our little guy particularly enjoyed the air hockey table. As always, Cindy prepared the premises wonderfully for our arrival and the welcome gift from your family is a warm and much-appreciated surprise.

We had a wonderful time. This engineering marvel was a wonderful gathering place for our families.

We had such a wonderful time we don't want to go home! Everything you would need was provided – even a lovely bottle of wine to welcome us.

Thank you for letting us experience our holiday at The Edge! We look forward to spending another holiday here soon!
